ABOUT ME

I am a 22-year-old student in the final year of my Bachelor's Degree in Video Game Design and Development at the University of Barcelona (ENTI). Passionate about programming and eager to learn every day, I combine curiosity and ambition with strong leadership and organizational skills. Sports and competition have taught me discipline, resilience, and teamwork, values I bring into every project to keep it structured, efficient, and goal-oriented.

EDUCATION

- ENTI - BARCELONA UNIVERSITY**
Bachelor's Degree
2021-Currently attending

I am currently studying the last year of the Bachelor's Degree in Video Game Design and Development (University of Barcelona – ENTI). Engineering-oriented program focused on the design, programming, and production of video games and applied games, preparing multidisciplinary professionals for roles such as developer, game designer, and producer.
